Current balance = **\$15,392.00**

Old Business

Median Update - Ron reported the City agreed to move the LPNA sign on the S. Osprey Av./
Brother Geenan Way median to be more visible.

Walking Hazards - Jules reported she is working on contacting City staff about Frontier's
dangerous cable hazards throughout the district. A suggestion was made that we check if
the City's 'Click and Fix' program is still available as could be helpful to draw attention to
hazards.

Coalition of City Neighborhood Associations (CCNA) - Ron gave an update on the recent
CCNA Board meeting and a recap of their attainable housing position.

LPNA General Meeting - All agreed the meeting was well attended with over 100 people at
the Tamiami Tap. Suggestions were made on improving membership sign-in, food
distribution and that we need to purchase a microphone. All agreed attendees not
necessarily aware that annual membership contributions make these meetings/socials
possible.

Newsletter - It was decided that the next edition should be ready for distribution October/
November, 2023, .

District 2 City Commissioner - Steve reported he's contacted Liz Alpert's office and will set
up a meeting with her.

New Business

Tunes in the Park - April 22, 2023 - Flyers need to be distributed the weekend prior to the event as well as sending out several timely email reminder blasts.

Movie Night - Members indicated interest in a Movie Night in the Park in May or June. Board decided we should look into the financial and volunteer feasibility of holding such an event.

Summer Board Meetings - It was decided that the Board will not hold its in-person meetings in June or July.

Meeting adjourned at 7:00 PM

Next Meeting: Monday, April 17, 2023

Respectfully submitted,
Annette Liggett, Secretary

Summary of Action Items

Matt/Ron - Contact Sam Ash re: purchase of microphone for meetings/events

Steve - Contact Commissioner Alpert with LPNA update

Jason - Follow-up on Movie Night in the Park feasibility

Ron - Continue to monitor City's housing proposals and if possible set up a website link to the City's "click and fix" program

Annette/Cindy - Continue work on updating membership files

Jules - Follow-up on sidewalk cable hazards
